Forms for Complement

Vessels & Decor

Forms feature rich texture and smooth surfaces complementing both interior and exterior environments. Glaze finishes relate to concrete, stone, steel, wood and fabric.

Bottles and vases with gesture and movement add grace, whimsy and elegance to any space.

NBC Pottery's off-centered *Conversation* bottles set a dramatic tone with figurative forms resonant of birds.

Twisting and turning, the plastic nature of clay is revealed.
The vase, bottle and basket is imaginatively reinterpreted.

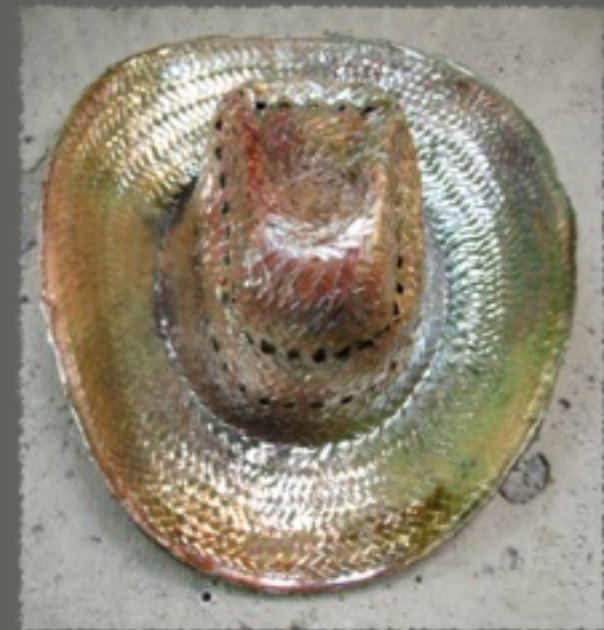

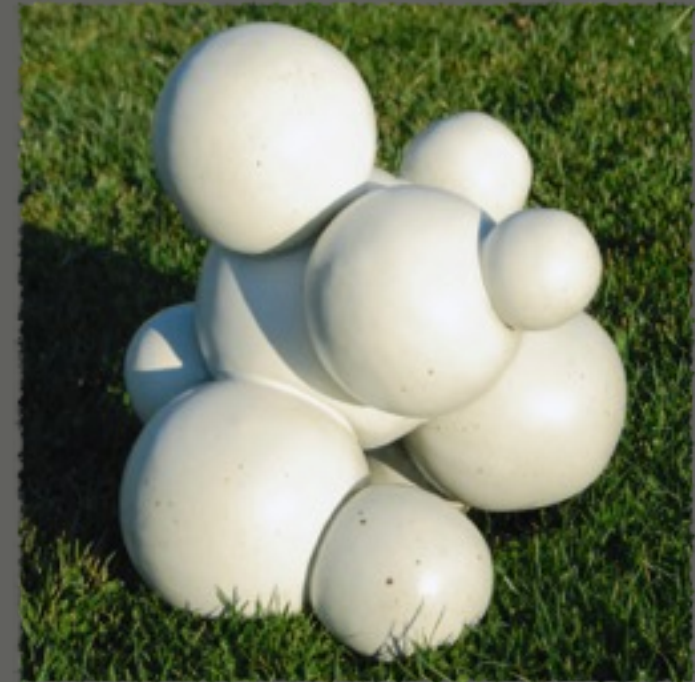

Right Where It Belongs

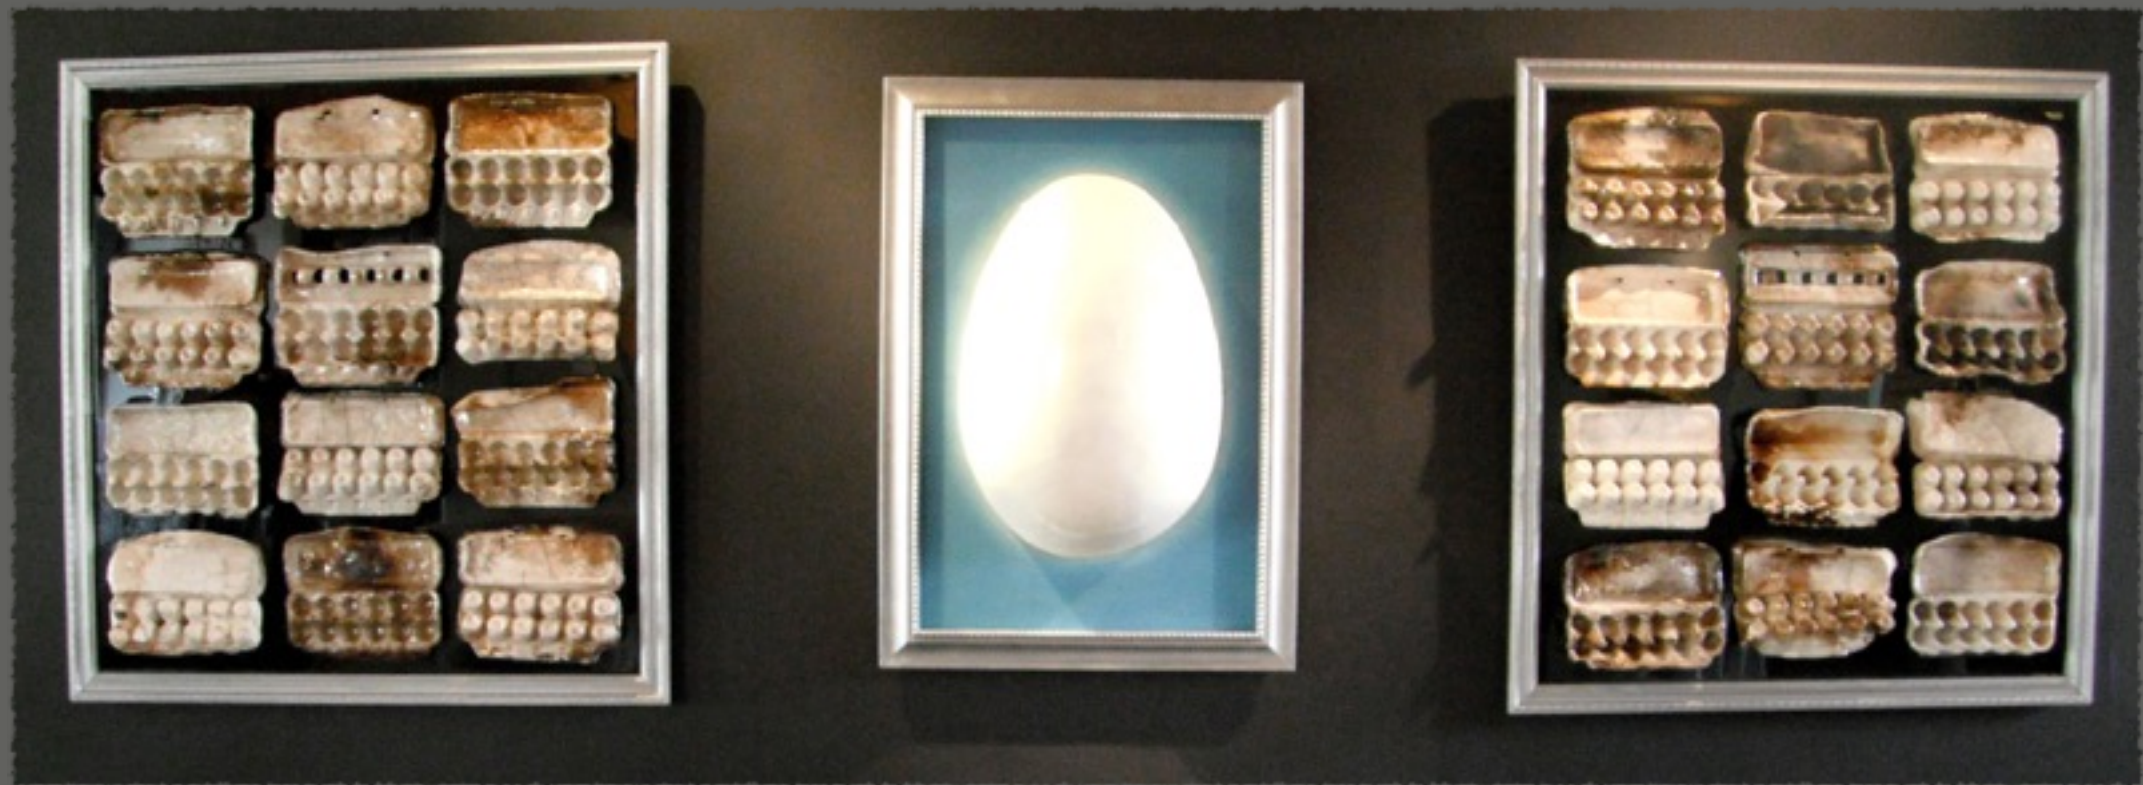

Sculpture

The *Meteorb* and *Cosmobowl* sculpture series.
Otherworldly, yet somehow a fit for nearly everywhere.

*Waterfall, Raku fired Ceramic Hats and a Clustered work.
A splash of color on the wall, and intrigue for the lawn.*

So Many Broken Eggs triptych and the *Source* install.
The glorious egg, a food and a symbol, celebrated.
